Sue Stone of Needle in a Fabric Stash

We picked up some great mini geometrics, cute woodlands, and unique color combos for our next MODERN quilt at Sue's Pop-up Store. Our presenters showed us their envelope quilt, plus sign quilt, modern baskets, and many others.

Improve at 9

Make a modern 9-Patch and bring it to the September meeting for a chance to win all of the submitted blocks. Use grey, white, and patched 2-inch finished squares for this 9-Patch.

**Also consider bringing an extra block for our first group charity quilt.*

Kona Silver Challenge

At the September meeting we will display our Kona Silver quilts. Even though we each got a complimentary fat quarter, we look forward to a wide variety of creativity. What is your interpretation of MODERN? Will you present large prints, small geometrics, solids, asymmetrical shapes, your favorite new fabric, or a pattern you have fallen in love with? Be ready to share your MODERN inspiration.
